

## Read Beyond the Beaten Path!

## - KIDS -

There are three ways to complete the Summer challenge this year!

1. Color one book on the back of this paper for every 20 minutes that you read (or listen to someone else reading). 15 books = 5 hours and will earn you a halfway prize.

30 books = 10 hours, and will earn you another prize!

OR

 Color one square in the grid for each activity you complete. Coloring 5 squares will earn you a halfway prize, and 10 will earn you a second prize.

OR

3. Do both! Completing both the reading and activity challenges will enter your name into a drawing for a grand prize!
