Dive Into Reading Swim Pass!

The Fort Bragg Library and the C.V. Starr Center are partnering to bring the fun of reading and swimming to the youth of Fort Bragg! For every 10 books your student checks out of the Fort Bragg Library, they receive a single free swim pass.

Participation forms are available at both the Fort Bragg Library and the C.V. Starr Center. Once your student checks out 10 books they will complete the form. The library will staple a check-out receipt and stamp the form. This form then becomes the pass to the pool!
